

Navy beats Army 34-7! 12 years in a row!

Jack McCourt – Dec 2013

Some mules face some goats on a field;
Both teams so unwilling to yield;
The mules need a win;
To overcome the chagrin;
But with Reynolds, their fate has been sealed.

It's a cold Philly day in the snow;
But the Mids on the field sure do glow;
Despite the cold chill;
It must be God's will;
Bring home mule 12 years in a row.

So, what do we say to the Whoops;
When they fumble, all you can say is oops;
Though they change up their game;
The results are always the same;
On Stryker, Bill always does poop!

Go Navy! Beat Army!
