I've been an Ensign for all of 626 hours, and already I'm slaving away over a hot typewriter. Hopefully, though, I'll have plenty more slaving to do in the years to come. In other words—WRITE ME!!!

On the business side of the house, expect a letter from **Bill Crowe** in the near future giving the full story on just what the Alumni Association can do for you. Also, there are already rumblings of a massive Army party—we can't let the rest of the Fleet forget one of the things that made this Class a legend in its own time!

Finally, I need all of the class Company Reps to send me a duty station address. This will also be a part of Bill's letter, so please take a minute to jot it down (even if you gave it to me at one of the frantic meetings during Commissioning Week—I want to make sure everyone knows that they've got the job).

Enough business already. I've got 30 days coming, and so do you—enjoy, and then show the Fleet how '80 does it!
