

At the wedding of Dan Sigg and Ruth Beane

gust 1980, and the new bride was given in marriage by her father, LCdr. Edward R. Beane USN (Ret.) '47.

Shown in our photo are Doug Wilson, Charlie Young, Erik Chaum, Matt Streeter, Ruth, Dan, and Dale Govan, all except Charlie (and Ruth, naturally) Class of 1977. Erik, who is offering a toast, had flown in from Thailand for the occasion.

Mark Fisher got married in the chapel last Fall right after I arrived. He and his bride should be stationed in Okinawa by now. I also saw **Soup Campbell** at his wedding. He is at NMPC in Washington. The only other Marine that I have heard from is **Steve Barnett**, who called from Parris Island and is getting ready for a year trip to Okinawa.

I saw a lot of my company mates at a New Year's Eve party in the area. **Pete Misewicz** and his wife Hollis are stationed at the Navy Yard in D.C. Adonness and **Mike Sturm** have just reported in to a RAG in Virginia Beach where he will be flying F-14s. **Glen McCormick** is also flying F-14s out on the West Coast and **Tom Hejl** is in the jet pipeline at Pensacola after a two-year tour in HORNE out of San Diego. **Mike Brunskill** is deployed to the Med as a helo pilot on one of the carriers. From Charleston, South Carolina, **Mark Clark** is still MPA in SEMMES. **Phil Wisecup** has finished his tour in FURER and has gone to KENNEDY in the carrier improvement program. And I left **Don Stewart** to fend for himself as MPA in CONE.

We saw **Dave Hayes** and his wife Marie and their little girl, Rose Marie, in Philadelphia last Fall. He was in SEATTLE in the shipyard in New York. We also heard from **Claude Barron**. He is in the shipyard in Washington. Lynn and Ed Yetsko are now the proud parents of a baby girl, Erin Lynn.

Well, lots of rumors flying and all the seagoing types should be rotating ashore soon. Drop me a line soon . . . we have a lot of news to catch up on. Also, congratulations on all the USN types making lieutenant!

Linda, Shanna and I are now living in Jacksonville, North Carolina. Some of the '78ers in the area include: Roy Bookmiller, Tom Sudbeck, John Page, Gerry Cory, Ted Null, J.B. The mail has been slow in finding its way to Jacksonville, but then they still use the pony express in North Carolina. **Fred Hilder** wrote so he could see his name in print, but when you spend Christmas in the Persian Gulf it doesn't take much to make your day. Fred and Sherry are expecting a little one in May. He is the gunnery officer in PATTERSON out of Mayport. Fred sends his best to his old roommates; Lads, Salty, T.R., Johnnie "O", and Fatman Jack. Congratulations to Mary and **Rob Richards**, first of all to Mary for settling Bob down and secondly for their baby.
