“Space science has been a major element of the aerospace world for a long time. U.S. leadership in this arena is being challenged on a daily basis. Greater emphasis on the space science discipline at the Academy and greater excitement about the issues at play will make midshipmen better prepared to engage in this evolving battlefield, and it will benefit their careers both in and out of the military.”

—Tig Krekel '75

Krekel's recent gift established the Tig H. Krekel Class of '75 Distinguished Chair in Space Science now held by former astronaut Captain Kenneth Reightler Jr. '73, USN (Ret.).
